CHAPTER 18.

(Revised Statutes.)

An Act respecting the Superannuation of persons employed in the Civil Service of Canada. A.D. 1886.

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

SHORT TITLE.

1. This Act may be cited as "*The Civil Service Superannuation Act.*" 46 V., c. 8, s. 18. Short title.

APPLICATION OF ACT.

2. The Civil Service, for the purposes of this Act includes and consists of— Who shall be deemed civil servants.

(*a.*) All officers, clerks and employees in or under the several departments of the Executive Government who are paid a yearly salary, and to whom "*The Civil Service Act*" applies; Persons under Civil Service Act.

(*b.*) All such officers, clerks and employees of the second or outside division of the Civil Service, as the Governor in Council, from time to time, designates, and to whom "*The Civil Service Act*" does not apply, and who are paid a yearly salary and employed in an established capacity; Certain persons in the outside service.

(*c.*) The permanent officers and servants of the Senate and House of Commons, and the permanent officers and servants employed in the Library of Parliament, who, for the purposes of this Act, shall be deemed to be in the Civil Service, saving all rights and privileges of either House in respect to the appointment or removal of its officers and servants; Officers and servants of Senate and Commons.

(*d.*) All persons now contributing to the superannuation fund; Present contributors to the fund.

(*e.*) All persons to whom this Act is by some other Act declared to apply. 46 V., c. 8, s. 1. Certain others.

SUPERANNUATION.

3. The Governor in Council may grant to any person who has served in an established capacity in the Civil Service for ten years or upwards, and who has attained the Conditions of allowance.

age of sixty years, or is incapacitated by bodily infirmity from properly performing his duties, a superannuation allowance calculated on his average yearly salary during the then last three years, and not exceeding the following rates, that is to say :—

Rates of allowance.

(*a.*) If he has served for ten years, but less than eleven years, an annual allowance of ten fiftieths of such average salary, and if for eleven years and under twelve years, an annual allowance of eleven fiftieths thereof, and in like manner a further addition of one fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five fiftieths may be granted; but no addition shall be made for any service beyond thirty-five years;

Maximum rate for 35 years.

Breaks in service not to be counted.

(*b.*) If the service has not been continuous, the period or periods during which such service has been interrupted shall not be counted, and the Order in Council made in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 2.

Governor in Council may add to service of persons appointed on account of special qualifications.

4. The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years' service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the Order in Council made in the case; and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed; and the Order in Council in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 3.

Preliminary inquiry by Treasury Board.

5. The superannuation of every civil servant shall be preceded by an inquiry by the Treasury Board—

(*a.*) Whether the person it is proposed to superannuate is eligible within the meaning of this Act; and—

(*b.*) Whether his superannuation will result in benefit to the service, and is therefore in the public interest; or—

(*c.*) Whether it has become necessary in consequence of his mental or physical infirmity:

Report of Board.

2. No civil servant shall be superannuated unless the Treasury Board reports that he is eligible within the meaning of this Act and that such superannuation will be in the public interest. 46 V., c. 8, s. 4.

Deductions from salaries.

6. A deduction towards making good the superannuation allowances hereinbefore mentioned, shall be made from the salary of every person in the Civil Service to whom this Act applies, at the rate of two per centum per annum on such

salary, if it is six hundred dollars or upwards, and of one and a-quarter per centum per annum thereon, if it is less than six hundred dollars, and the sum so deducted shall form part of the Consolidated Revenue Fund of Canada; but such deduction shall be made only during the first thirty-five years of service. 46 V., c. 8, s. 5. Proviso.

7. The full superannuation allowance shall only be granted to persons who have been subject to the said deduction during ten years or upwards,—the superannuation allowance of any person who has not paid it, or has paid it for a less period, being subject to a diminution of one per centum for every year less than ten during which he has not paid it; except that the superannuation allowance of any person hereafter retiring, shall not be subject to any such diminution by reason of his not having paid the abatement hereinbefore mentioned, during any year or years after his first thirty-five years of service. 46 V., c. 8, s. 6. Ten years' contribution requisite for full allowance. Diminution for less period of contribution. Exception.

8. Retirement shall be compulsory on every person to whom the superannuation allowance herein before mentioned is offered, and such offer shall not be considered as implying any censure upon the person to whom it is made; nor shall any person be considered as having any absolute right to such allowance, but it shall be granted only in consideration of good and faithful service during the time upon which it is calculated: Compulsory retirement. Allowance conditional on good service.

2. Nothing herein contained shall be understood as impairing or affecting the right of the Governor in Council to dismiss or remove any person from the Civil Service. 46 V., c. 8, s. 7. Right of dismissal not impaired.

9. If the Head of a department reports with respect to any person employed in his department, and about to be superannuated, from any cause other than that of ill-health or age, that the service of such person has not been satisfactory, the Governor in Council may, as to him seems fit, grant such person a superannuation allowance less than that to which he would have otherwise been entitled. 46 V., c. 8, s. 8. Diminution when Head of Department reports unsatisfactory service.

10. If any person to whom this Act applies, is constrained, from any infirmity of mind or body, to quit the Civil Service before the period at which a superannuation allowance might be granted him, the Governor in Council may allow him a gratuity not exceeding one month's pay for each year of his service; and if any such person is so constrained to quit the service before such period, by reason of severe bodily injury, received without his own fault, in the discharge of his public duty, the Governor in Council may allow him a gratuity not exceeding three month's pay for every two years' service, or a superannuation allowance not exceeding Gratuity when yearly allowance not earned. Gratuity in case of bodily injury on duty.

one-fifth of his average salary during the then last three years. 46 V., c. 8, s. 9.

Provision for abolition of office, reduction of staff, &c.

11. If any person to whom this Act applies is removed from office in consequence of the abolition of his office for the purpose of improving the organization of the department to which he belongs, or is removed, or retired from office to promote efficiency or economy in the Civil Service, the Governor in Council may grant him such gratuity or superannuation allowance as will fairly compensate him for his loss of office, not exceeding such as he would have been entitled to if he had retired in consequence of permanent infirmity of body or mind, after adding ten years to his actual term of service. 46 V., c. 8, s. 10.

Pensioners under sixty liable to serve if required, under penalty of loss of allowance.

12. Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and, if he refuses or neglects so to do, he shall forfeit his said allowance. 46 V., c. 8, s. 11.

Service before Confederation to be counted.

13. Service in an established capacity in any of the departments of the Executive Government or offices of the Legislature of any of the Provinces now included in the Dominion of Canada, before such Province became a portion thereof, by any person who has thereafter entered the Civil Service, shall be reckoned in computing his period of service for the purposes of this Act. 46 V., c. 8, s. 12.

Discretionary power of Governor in Council.

14. In any case of doubt the Governor in Council may, by general or special regulations, determine to what persons the provisions of this Act do or do not apply, and the conditions on which, and the manner in which, they shall apply in any case or class of cases. 46 V., c. 8, s. 13.

Payment of allowances.

15. The allowances and gratuities granted under this Act shall be payable out of the Consolidated Revenue Fund of Canada. 46 V., c. 8, s. 14.

REPORT OF SUPERANNUATIONS.

Annual return to be made to Parliament.

16. The Minister of Finance and Receiver General shall lay before Parliament, within fifteen days after the commencement of each session thereof, a statement of all superannuations and retiring allowances in the Civil Service within the year, giving the name and rank of each person

superannuated or retired, his salary, age and length of service, the allowance granted to him on retirement, the cause of his superannuation and whether the vacancy has been subsequently filled, and if so, whether by promotion or by a new appointment, and the salary of the new appointee. 46 V., c. 8, s. 15.

REPORT OF THE JOINT LIBRARIANS OF PARLIAMENT.

(20)

TO THE HONORABLE THE SPEAKER OF THE SENATE.

The Joint Librarians of Parliament have the honor to report as follows for the year 1887-8.

Since the last Session the section devoted to United States Congressional Documents has been enriched by additions which extend the collection backward from 1854 to 1827 The Librarians hope to be able during the year to completethe series backward to 1820, the earliest period at which any such collection begins.

Two more alcoves of the Library have been placed at the disposal of members for the purposes of study and work, and the books have been more conveniently placed for reference.

The Canadian and American sections have received many valuable additions during the year. Among them, we may point out: *Champlain's Voyages*, 1613. Cotton Mather pamphlets on pre-historic America, very scarce. We have also been able to secure the following newspapers, which are perhaps the only copies existing, at least for several of them, bearing on the political troubles of 1837-8: *The North American*, Swanton, Vt, 1839-41. *Mackenzie's Gazette*, New York and Rochester, 1838 40. *Le Patriote Canadien*, Burlington, 1839-40, published by M. Duvernay, after the suppression of La Minerve. *L'Aurore des Canada*, Montreal, 1838-9. *La Canadienne*, 1840. We have also bought in London a very fine collection of Canadian and American maps, published during the latter end of the eighteenth century.

Additions in considerable number have been made, partly by purchase and partly through the aid of the officer in charge of the distribution of Parliamentary documents, to the volumes of Hansard available for the use of members. The order of the Hansard Committee of last Session, to afford the Library an increase in the number of volumes annually sent to the Library, has been duly fulfilled by the officer in charge of the House of Commons printing. The Library is now fully provided with sufficient copies of the Debates since 1875, to stand the wear and tear of many Parliaments.

The Library has been duly provided with copies of all documents relating to the Fisheries question, and it will be seen, on reference to the Catalogue, that a special list or index of documents relating to the great international question has been prepared. This will probably be found very useful.

The various pamphlets bearing on our trade relations with the United States and England have been provided; and a list of references to documents treating of Reciprocity, has also been prepared.

Considerable additions have been made to the Law section, the latest editions of the most useful text-books having been procured.

The work on the Catalogue of Americana has been begun, as it is understood that the means for continuing a very essential work will be duly provided.

The annual catalogue of accessions has been delayed a little in order to include the latest publications. It will be distributed at an early date. A list of the copyright works and of donations is, as usual, appended.

All of which is respectfully submitted.
